Dear CTC Friend:

Thank you for your interest in The Children's Theatre Company.

Licensing a Children's Theatre Company production is simple. To obtain a performance license, you must first submit:

1. An Assessment Inquiry form (1)
2. Application for License (2)
3. Signed License Agreement with appropriate fees (3)

All of which will be accompanied by a detailed FAQs (3) as well as a telephone conference date with your sponsoring organization to answer questions and to build unity of vision.

Your information you will then be submitted to the CTC NYC Board of Directors, who will determine the scope of work and implementation time line.

Looking forward to your thoughts-
Warmest Regards,

Mehr Mansuri
Founder / Artistic Director
